Dear Gannie

Slater gave me  
your note yesterday  
after church said he was  
in a hurry some one waiting  
for him. so I would  
not detain him to write  
was so glad to hear from  
you all had heard  
how sick your husband  
was and what a hard  
time you was having  
so I have never failed  
to inquired every opportunity  
with. and was so glad  
when I heard he was  
improving. I could sym-  
-pathize with you.  
am glad your Pa is  
no worse hope he will  
get along. I know it
