Dear Mrs. Hollingsworth,

I am one of the sons of W. B. LaMaster. I recall that when I was rather young, Slater LaMaster sent my father an autographed book on a rocket trip to the moon. This must have been in 1919-1920 or in that period. My father felt that a rocket trip to the moon was about as silly a venture as one could imagine.

I have tried for several years to secure a copy of this book, but to no avail. My Aunt Bartlet gave me your address stating that you might be able to give me some information on the writings of Slater LaMaster.

We still keep in fairly close contact with the LaMasters in Kentucky. Dad moved to this area of Texas in 1908.

Sincerely,

G. R. LaMaster
