OFFICE OF CHIEF CLERK

Cincinnati Ohio
Jan 31-1916

Dear Grand Ma:-

your letter received Sunday
I was out at Erlanger and got it
at once. I received quite a number of
letters congratulating me on my
appointment but I treasure yours
the most. I know I have your
love and good wishes all the time.
While I have been advanced to a
position where it will be necessary
for me to come in daily contact with
the big business men of the country
yet your letter made me feel like
I was ~~the~~ boy again, that I was
back at Big Bone again, that I
wanted to wade in the creek,
that I wanted to go bare footed, and
wanted to play with Buddie. Pop is
working day and night and is
holding up pretty good.

OFFICE OF CHIEF CLERK

Miss Sophia Buckner died Friday night and will be buried to-day. The poor woman is better off. Sam Adams mother died Saturday night and will be buried to-day.

I understand that Oscar Huey is going to preach both funerals. I am mighty busy and will have to close with love to all

as ever
