being written you on
Famous Dale End Sq.

in many prominent
places the street is mark-

Women" Miss Pankhurst
will speak at St. James
Hall.

day I had the pleasure
of seeing their old
royal house in South
Adepton and going
in it.

Papa I suppose will
be interested to know
that I am going over
to Winchester to the
old Winchester abbey
of 1600 A.D. to see the
graves and relics of
the crusaders among

I wrote Mr. Peary a
letter telling him about
my touring and saying
"at the time you will
be reading this letter I
will be roaming around
among the tombs of the
kings in Westminster
Abbey."

Do you remember
about the "Indor" English
family of Kings, that is
so strongly brought to life
in your "When Knighthood
was in Flower". The other

Whom, Richard
Coeur de Lion, that
Richard the Lion-
hearted is buried

Now will finish the letter
since I wrote above the
line I have seen Parliament
and Westminster Abbey.
Also taken an auto-mobile
ride over London. I hope
and I am nearly sure I
will get a letter from you
to day for I know the mails
will be in from U. S.

Should it every be neces-
sary I can cable right to
obtain any message at U. S.'s
expense. So don't worry Slater
