8 Barrow St  
New York City

My dear Mother:

Your good letter  
came and I have been  
very busy about the show running  
around on it (on the side). Here  
is "Dodger" <sup>(the first one I could get)</sup> that is being stuck  
in the program of the present  
attraction and rehearsals  
begin on mine tomorrow  
Monday! Things are a  
little better - will let  
you know when I have  
something more to report!  
I am well and love  
to you all

My name will  
be straightened  
out later!
